## Around the World in 35mm

A photographic exhibition will be held at Chorak throughout August displaying the work of local photographer Erini Rodis.

Erini, who has been published internationally, has been taking photographs for *THE ARCHER* for the past two years, and will be displaying a selection of images ranging from landscapes to ceremonies taken in the North America, South Pacific, Australasia and East Finchley.

"What I did was not particularly unusual," she says, "but I learned so much from my year away that I want to share it with everybody!"

For more information on Erini's work write to [erini\\_r@hotmail.com](mailto:erini_r@hotmail.com). For general information about the exhibitions held at Chorak, call in at 122 High Road N2, or call 8442 0370.
