New homes: How the former Esso site could look

Homes on Esso site

Details have been released of the planning application that could see eight homes being built on the site of the former Esso garage on the corner of Church Lane and the High Road, N2.

Documents submitted to Barnet Council show four three-storey terraced homes fronting onto the High Road, along with three two-storey homes facing onto Leopold Road and one more two-storey home on Church Lane.

The main vehicle entrance will be off the High Road, running through the middle of the site and aligned with a privately-owned alleyway that already exists between houses in Leopold Road and Church Lane.

There is off-street parking for 12 cars on the site, including three garages. Five of the parking spaces are accessible via the main entrance, four off Church Lane and three off Leopold Road.

You can view the planning application in more detail and submit a comment by going to the planning section of [www.barnet.gov.uk](#) and searching for application 16/3310/FUL.

Planning Applications

Barnet Council

9 Bedford Road, N2

Single-storey side/rear extension.

60 Brim Hill, N2

Single-storey rear infill extension. Replacement of garage door. Replacement of windows with timber-framed double glazing. Off-street parking.
