

YOUNG ARCHER

All in a row: The Archer Academy's lower school dance team prepare to compete.

Double gold for young dancers

By Anna Hindmarsh, Year 9

On 20 January dancers from the Archer Academy travelled to East Barnet School to take part in the Barnet Dance Competition. This year we entered two dance groups: a junior group made up of students from the lower school, and a senior group made up of year 10 students from the upper school.

Both groups performed very different pieces, one a powerful and forceful dance about catching a light and the other an emotional dance about connections and relationships. Both faced tough competition from other schools and were ecstatic to win first place in both categories!

Now we're really looking forward to representing Barnet at the London Schools' Dance Competition at the Copper Box Arena at the Olympic Park in March and are continuing to work hard on our routines to give the best possible performances.

Competition time for film makers

Fixation Theatre Company's film makers group for 12 to 18-year-olds are entering another film and animation competition for under 25s this year.

Their mission is to capture what they feel a 'Sense of Hope' means to them. Filming with a green screen has begun and soon the group will be turning their attention to the post editing stages.

If you are aged 12 to 18 and are interested in a free taster session with the group at Finchley Youth Centre in the High Road, N2, email info@fixationtheatre.com or call 07708 608 570. You can find more information at www.fixationtheatre.com.

Speak up and speak out

Christ's College Finchley played host in January to the Barnet Regional Final of the Speak Out competition run by the Speakers Trust and supported by the Jack Petchey Foundation. The competition is one of the largest public speaking events in the world with hundreds of young people competing to make it to the final each year.

Nearly 200 supporters, relatives and teachers packed into the school hall to hear the 20 regional finalists give engaging and entertaining speeches on topics as diverse as the civil war in Syria, the importance of the arts, back pain, bullying and arachnophobia. The winner was judged to be Sebentile Mabusza, of Whitefield School.
