In my Easter bonnet...

Moss and lichen have made their home on the top of this postbox in Elmfield Road, N2, making it look as if it's wearing a particularly fancy hat for Easter. Or if you're tall enough to look down on it, you could fancy you are looking at a map of tropical islands and coral reefs in a Post Office red sea.

New crossing days after pedestrian is killed

Continued from page 1

East Finchley councillor Alison Moore confirmed that the crossing had been planned for 18 months following a petition started by Paul Spencer-Smith, of Lincoln Road, N2 (*The Archer*, June 2017) and said the timing of its arrival so soon after the fatal accident was "heartbreaking". Saddened readers have also contacted *The Archer* (see Letters, page 11).

Crossing safety

The fatal collision came after our front page article in last month's edition reporting on calls by staff and parents to improve safety at the pedestrian crossing on the High Road outside Martin Primary School.

Under construction: Work underway on the new crossing

A 42-year-old father and his young daughter had been injured when they were in collision with a car travelling up from the North Circular as they crossed there on the afternoon of Monday 4 February. Meanwhile, worried residents

who regularly use a zebra crossing at the Muswell Hill end of Fortis Green, close to the junction with Twyford Avenue, say that is not safe either and are calling for better lighting and traffic-calming measures (see report, page 3).
